

## Transfer Facilitation Agreement

This agreement establishes a cooperative relationship between **Belmont College**, a regionally accredited technical college (the College) and **Herzing University**, a regionally accredited university (the University) for the purpose of facilitating and promoting transfer of students' credit between the institutions.

**Transfer of Credit.** Under the provisions of this agreement, the University agrees to accept unfettered transfer of associate degree credits into the University's bachelor's degree program as outlined below.

### **Bachelor of Science in Technical Management**

- A minimum of 30 semester credit hours from the core courses from a technical or vocational associate's degree will be accepted as Required Technical Courses.
- Up to 22 additional semester credit hours will be accepted as Open Electives.
- Up to 21 semester credit hours of general education courses will be accepted as outlined below.
- **Total** = Potential of 73 semester credit hours

### **Bachelor of Science in Health Care Management**

- Up to 37 semester credit hours will be transferred from a combination of open electives and credits transferred from the core (non-general education) courses of a healthcare-related associate degree.
- Up to 21 semester credit hours of general education courses will be accepted as outlined below.
- Additional credits may transfer on a course-by-course basis.
- **Total** = Potential of 58 semester credit hours (or more if individual courses transfer)

### **Bachelor of Science in Business Administration**

- Up to 37 semester credit hours will transfer as open electives courses from any associate degree program at the College.
- Up to 21 semester credit hours of general education courses will be accepted as outlined below.
- Additional credits may transfer on a course-by-course basis.
- **Total** = Potential of 58 semester credit hours (or more if individual courses transfer)

### **General Education**

Courses meeting the criteria below will be accepted as meeting general education requirements of the three degrees listed above.

- 1 Semester Credit Hour in Information Literacy
- 3 Semester Credit Hours in English Composition
- 3 Semester Credit Hours in Speech
- 4 Semester Credit Hours in Computer Applications
- 4 Semester Credit Hours in Mathematics (College Algebra or Above)
- 3 Semester Credit Hours in Social or Behavioral Science
- 3 Semester Credit Hours in Science or Humanities With a Critical Thinking Focus
