

# TAKE YOUR KNOWLEDGE TO THE NEXT DEGREE

## **BELMONT** COLLEGE

*Competing in today's job market can be tough, especially for mature workers. If you have attended college but never finished or have always dreamed of completing a certificate or a degree, now is the time. The demand for an educated workforce in your community has never been greater.*

Belmont College's Transition to College Program offers programs and support services tailored to the needs of adult learners.

At Belmont College you can:

- Earn credit for previous education
- Enroll in affordable classes to earn credit toward a degree or certificate.
