# 2018-2019 Scholarship Guide

# ACADEMIC DEGREES. TECHNICAL TRAINING.

*We want to make the Belmont College experience affordable for every student. Our financial aid staff is available to assist you in applying for aid and defining the many types of aid available, including scholarships, grants, loans, and work-study.*

## Financial Aid Frequently Asked Questions

### **What is Financial Aid?**

Financial Aid includes all sources of funding a student is eligible to receive that helps to pay for college expenses. These resources may include Grants, Scholarships, Loans, Federal Work Study, and outside agency support. Grants may be the Federal PELL Grant or the Supplemental Educational Opportunity Grant (SEOG). Loans include the Federal Direct Subsidized and Unsubsidized Loans. Also, parents may be eligible for the Parent PLUS Loan. Scholarships may be awarded to you from Belmont College or from other agencies or companies. You are required to notify the Financial Aid Office if you receive any funds from outside agencies. Check with the Financial Aid Office for information on available scholarships and other funding from outside agencies, such as WIA, WIOA, TAA, UMW, NPWIB and Ohio Means Jobs.

### **What is “MyFAO?”**

“MyFAO” stands for My Financial Aid Office. You can access MyFAO on the Belmont College web page or your iPad application to check the status of your financial aid award, check for missing documents, download forms, check the status of your loans and more. You will need your Student ID number and your MyFAO PIN to access the site. If you do not know your PIN, go to the link provided on the MyFAO site, put in your Student ID and select “First Time User” to create a PIN. If you forget your PIN, select “Forgot Your PIN”. Your MyFAO PIN is not the same as the FSA ID you used to file your FAFSA or your MyBELMONT password.

### **What is Verification?**

The US Department of Education may select your FAFSA for verification of the information you reported. Belmont College is required to verify all applications that have been selected. The college also may require verification of any application that may be in question. In these cases, specific documentation will be required. The US Department of Education and/or the Financial Aid Office will notify, in writing, all financial aid applicants for whom verification is required. We will require a verification worksheet and certain tax documents that must be requested directly from the IRS. Specific instructions will be provided to you if you have been selected for the verification review.

### **What is a Special Circumstance?**

If a student's projected income for the current year is less than the income reported on the FAFSA, then the student should check with Financial Aid to see if he/she is eligible for a special circumstances review. Special Circumstances include: loss of employment due to lay-off, termination or reduction; loss of earning due to disability or natural disaster; loss of an untaxed income or benefit; legal separation or divorce; death of a wage earner; or unusual medical or dental expenses.

## Applying for Financial Aid Checklist

- ☐ **Complete the Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) using the Belmont College code 009941.** You can begin applying for the 2018-19 academic year beginning October 1, 2017. Students are encouraged to complete the FAFSA by our priority deadline of March 1st for the upcoming academic year (or as early as possible) not only to allow for completion of the verification process (if required), but also to ensure that you will receive all eligible financial assistance available.
- ☐ **Review your Student Aid Report (SAR).** Once you complete the FAFSA the Department of Education will send you, generally through e-mail, a summary of the information you reported on your FAFSA. This summary is called the SAR. Read your SAR carefully as it contains informational messages and possible errors which you will need to correct on [www.fafsa.gov](http://www.fafsa.gov).
- ☐ **Complete any applicable scholarship applications by April 20, 2018 for full consideration.** Applications received after this date will be reviewed in the order they are received, until all funding is awarded.
- ☐ **Submit to the Financial Aid Office any missing documents.** Check your financial aid status online through your MyFAO site to see if you have outstanding requirements or important messages. Use the First Time User link to set up your account for the first time. Don't forget to use the MyFAO application on your iPad for even easier access!
- ☐ **Should you need a loan, be sure to complete a Direct Loan Request Form, which is available on MyFAO.** In addition, complete Entrance Loan Counseling, and a Master Promissory Note at [www.studentloans.gov](http://www.studentloans.gov). Students need to reapply each term for their student loan.
- ☐ **Make sure your bill is covered.** If you receive a balance due, do not assume your financial aid will cover it. There may be missing forms or may truly have a balance after all of your aid is applied to your account. Check your Financial Aid status on MyFAO or by email at [financialaid@belmontcollege.edu](mailto:financialaid@belmontcollege.edu).
- ☐ **Access your Account Statement through your MyBelmont web portal** (also available as an application on your iPad). Also check your college email, as all official college correspondence to you goes to your [@belmontcollege.edu](mailto:@belmontcollege.edu) email account.

# Scholarships

Belmont College has a number of available scholarships awarded by the Financial Aid Office to incoming freshmen and/or transfer students. Additionally, some scholarships are awarded by various departments on the basis of students' majors and/or special abilities.

Any student enrolled in credit courses may apply for one or more scholarships. Please note that criteria and requirements for each scholarship may vary; apply only for the scholarships that you are eligible for. Some scholarships may require separate or additional applications. This Scholarship Guide can provide more detailed information regarding application details. Students who receive federal grants (such as the Federal Pell Grant) will have their grant money applied to tuition expenses first.

**Completed applications must be returned to the Financial Aid Office no later than April 20, 2018 for priority consideration.** Scholarship recipients will receive a letter confirming the scholarship awarded and the amount. Contact the Financial Aid Office with any questions or concerns you may have in person, via email at [financialaid@belmontcollege.edu](mailto:financialaid@belmontcollege.edu) or call 740.695.8510.

Complete the following by the priority deadline of **April 20, 2018**. (Trustees Scholarship applications will be accepted on a first-come basis – should funding remain – until August 24, 2018).

- **Apply for Admission** to Belmont College online at [www.belmontcollege.edu](http://www.belmontcollege.edu).
- **File your 2018-19 FAFSA** (Free Application for Federal Student Aid) online at [www.fafsa.gov](http://www.fafsa.gov).  
Belmont College school code is 009941.
- **Submit this 2018 Trustees Scholarship Application** to the Financial Aid Office.

### *Eligible candidates must also meet the following requirements:*

- Graduate from high school and forward final transcript to Belmont College Records Office.
- Reside in and graduate from a high school in Belmont, Harrison, or Monroe County.
- Enroll at Belmont College in the summer or fall term immediately following your high school graduation.
- Enroll in the *Student Learning and Success* course (FYE 1110).

### *Important Information:*

- The Trustees Scholarship will cover **tuition expenses only**. Students who receive federal grants (such as the Federal Pell Grant) will have their grant money applied to tuition expenses first. If grant funding meets or exceeds the cost of tuition, student's Trustees Scholarship will not be utilized. Any remaining federal grant funds can be used to cover fees and book expenses. If a grant award total is less than the student's tuition expense, the Trustees Scholarship will cover the balance of tuition, but will not exceed the cost of tuition. After grants and Trustees Scholarship funds are applied to the student's account, they may still have a bill for fees and books.
- Trustees Scholarship recipients are selected by the Financial Aid Office.
- The Trustees Scholarship does not cover fees, books, or other expenses.
- The Trustees Scholarship is available for six consecutive terms and students must enroll in the summer or fall term immediately following their high school graduation.
- Trustees Scholarship recipients must maintain a semester GPA of 2.5 and must be enrolled full-time.

*I have read and understand the guidelines for the Trustees Scholarship and understand that even after the scholarship is applied I may still have a balance due to the College.*
