

Choose Belmont.

Spring Semester Begins January 7, 2019

BELMONT
COLLEGE

Academic Degrees. Technical Training.

WWW.BELMONTCOLLEGE.EDU

“Belmont College is your community’s college.”

DR. PAUL GASPARRO
PRESIDENT

Welcome to Belmont College!

As the President of Belmont College, I welcome you to our college, and I invite you to explore all that Belmont has to offer.

Our institution plays an important role in opening access to higher education, providing a well-prepared workforce, and growing a vibrant community. With campus locations in Belmont, Harrison and Monroe Counties, I believe Belmont College is the best choice for the communities we serve. Belmont College is your community’s college.

I am committed to student success and that is what Belmont College is all about. Whether you plan to obtain an associate’s degree and jump into the workforce, or to upgrade your skills to advance your career through workforce training, or to further your higher educational dreams and transfer to a four-year institution, we are here to help you successfully achieve that goal.

I encourage you to visit our campus and I personally look forward to meeting you. Thank you for considering Belmont College as the best choice for your education!

Spring Semester begins January 7th.

Registration is going on now! Learn more by calling 740.695.9500, emailing admissions@belmontcollege.edu or visiting us online at www.belmontcollege.edu.

You should consider a community college.

Community colleges, such as Belmont College, represent a great educational opportunity for students without sinking below a mountain of debt. With small class sizes, convenient scheduling options, and committed faculty members, community colleges are a smart choice for students.

Belmont College is close to your home.

Belmont offers credit and non-credit programming at the Main Campus in St. Clairsville, Ohio. The college also has off-campus locations in Cadiz and Woodsfield, Ohio as well as convenient online classes.

Take advantage of a flexible schedule.

Community colleges are convenient! You can attend full-time or part-time and schedule your courses around home and work commitments.

Prepare for transfer to a four-year college.

Many community college graduates often decide to transfer and complete their bachelor's degrees. Planning in advance will help ensure that your credits will transfer toward your degree at the four-year college you plan to attend.

Get ready for your career.

If you want to enter the workforce sooner, you can earn a certificate or degree in a career-oriented field, such as Nursing, Early Childhood Education, Firefighting, Welding or Engineering Technology.

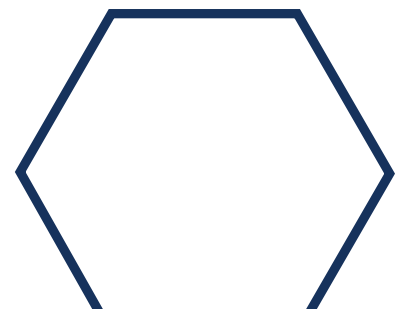

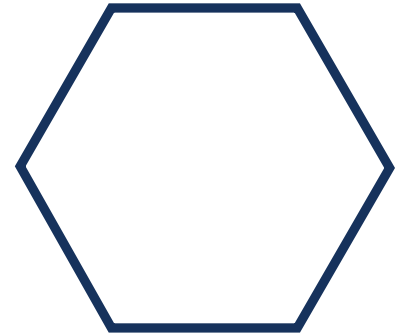

BELMONT
COLLEGE

2019 Spring Schedule • Credit Classes

MAIN CAMPUS

COURSE #	TITLE	CREDITS	DAYS	TIMES	
ACC - ACCOUNTING					
ACC 1105 001	General Accounting	4	MW	12:00 PM	1:50 PM

*You are
only steps
away from
starting
college!*

**STEP #1
COMPLETE AN APPLICATION
FOR ADMISSION**

*Apply online at
www.belmontcollege.edu.
There is no application fee and
admission is open to everyone.*

**STEP #2
ESTABLISH PLACEMENT**

*Submit transcripts of all
academic work including:
high school, GED, and college
or university. They must be
official and arrive in a sealed
envelope or electronically. Take
a Placement Test at Belmont
College or submit your ACT or
SAT scores. These scores will
be used to assist academic
advisors to place you in the
correct courses.*

**STEP #3
MEET WITH AN ADVISOR &
REGISTER**

*Academic advisors are
available to help you develop
a schedule that works with
your educational goals while
balancing your personal, family
and work schedule.*

**STEP #4
APPLY FOR FINANCIAL AID**

*Begin by completing a Free
Application for Federal Student
Aid (FAFSA) online at
www.fafsa.ed.gov. Use Belmont
College code 009941.*

*Are you a
2018 high
school
graduate?*

The Belmont College Trustees Scholarship has been extended through the Spring 2019 Semester for all eligible 2018 high school graduates.*

The Trustees Scholarship offers a tuition-only award to students to cover the cost of up to six academic terms.

**Eligible students must meet residency and graduation requirements.*

Academic Degrees.

Choose Belmont.

Making Belmont College a part of your education is a first step in creating a solid foundation for you to build your future on. Belmont is, and will remain a place of exceptional learning where great things happen.

You can save money.

Costs to attend community colleges are generally much lower than the cost to attend four-year colleges. With the cost of higher education increasing and the continual amount of debt that students are incurring rising, many people have begun to take notice of the value of community colleges.

While all colleges and universities will have to continue to address the constant concerns regarding cost and student debt, the certainty remains that community colleges exemplify value in higher education. By providing affordable educational offerings, community colleges can prepare students to enter successful careers or transfer to four-year institutions to complete a bachelor's degree.

We want to make the Belmont College experience affordable for every student. The college has a long list of available scholarships awarded by the Financial Aid Office to our students. Learn more at: www.belmontcollege.edu/scholarships.

“I chose Belmont because receiving scholarships allowed me to complete my degree with less financial burden.”

AARON CONRAD
ENGINEERING GRADUATE

Energy Industry Training

The Workforce Development and Community Education Department offers a Natural Gas Utility and Pipeline Field Skills Training Program at the Main Campus in St. Clairsville, OH. Beginning on January 14, 2019, the four-week program classes run 20 consecutive weekdays from 8:00 am to 5:00 pm.

This training program blends classroom and hands-on field experiences to provide a basic understanding and awareness of natural gas, the natural gas utility and pipeline industry, associated equipment, procedures, and operations. The classes are offered at no-cost for eligible* students in West Virginia, southwestern Pennsylvania and southeastern Ohio, thanks to funding from the Appalachian Regional Commission.

For more information or to apply, visit www.gastechnology.org/from-black-to-blue

**In order to qualify, students must take and pass a five-panel drug test, clear a criminal background check, possess an active driver's license with a clear driving history and have a high school diploma or GED.*

Important Dates

Prepare now for admissions, orientation, financial aid processing, and registration.

**New Student
Registration Begins November 19**

**Open House November 29
10 am - 7 pm**
